

COMMENTS ON CORN — Judge Edith Zawadiuk, RHE, remarks on the varietal corn display prepared by Stacy Laboucane (in cap).

Heinsburg 4-Hers achievement day

Twelve members of the Heinsburg 4-H Garden Club gathered the finest produce from their summer's labors last week, and put it on display at Heinsburg Community Hall for the club's annual Achievement Day.

Vegetables of many kinds along with amusing figures made from vegetables, a display

comparing three varieties of sweet corn, mounted displays of pressed flowers, floral arrangements and neatly kept project books made up the display, which was judged by Regional Home Economist Edith Zawadiuk and District Home Economist Becky Lore.

The judges had many

helpful remarks to make on the exhibits, including selection of items for display and how best to prepare them for showing, as well as tips on improving record books.

Leader Connie Thomson was presented with the gift of a flower ornament and "corn" salt and pepper shakers by the members, who in turn received pins.

Bekker wins third fair aggregate

It was no surprise to anyone when the 1985 Grand Aggregate Winner of Elk Point Agricultural Fair was named Saturday evening, and Pat Bekker stepped forward to accept her third Aggregate plaque in as many years.

Mrs. Bekker totalled 182 points, and collected aggregate wins in the Sewing, Knitting and Crochet, and Arts, Crafts and Hobbies sections as well as the Grand Aggregate award. Close runners-up were Rose Doucet, with 173 points, and Norma Berg with 162 points.

The Fair was again an immense success, with huge displays of entries filling both floors of the Elks Hall, and crowds of viewers coming to see their ribbon-decked sponsor.

Elk Point Ukrainian Dance Club displayed their ornate costumes in a colorful salute to the Year of Youth. Vaitkunas Photo Studio, sponsors of the Photography Aggregate Award, had an eye catching exhibit of their portrait work with their personnel on hand to answer questions about photography.

Rose Doucet added a contest to her House Plants section, with plants going to those who identified the largest number of unusual plants. Mary Bennett, Gail Kunas, Irene Magnusson and Norma Berg were the knowledgeable winners.

A bumper crop of entries filled walls and tables in the knitting and crochet section chaired by Sharon Kuhn. Pat Bekker collected the largest amount of points in this sec-

tion to win the prize donated by the Toronto-Dominion Bank.

Sewing entries were not large in number, but included a number of interesting items, including many Christmas items. A display of material and sewing needs by section sponsors Sew 'n' Knit added an attractive touch. Convener Darlene Sereda presented winner Pat Bekker with a folding sewing kit from Sew 'n' Knit.

Entries in the Arts, Crafts and Hobbies section were down somewhat, but exhibits of exquisite needlepoint by local craftswomen filled up the empty spaces with beauty. Edith Mitchell presented the aggregate award for her section to Pat Bekker on behalf of Elk Point Insurance and Realty.

The Junior Fair had a good number of entries, and was taken care of by new convener Gabrielle Bayduza. Tina Bjorkman won the aggregate award sponsored by John and Gladys Drobot's Wagon Wheel Ranch.

Creative Writing enjoyed more than 100% increase in entries in its second year, with the Lakeland Review aggregate prize split between last year's winner, Mary Bennett and new entrant Helen Havener.

Photography, chaired by Lillian Demchuk, had a very large number of entries this year, with Sharon Kuhn collecting the lion's share of prizes, along with a portrait sitting donated by Vaitkunas Photo Studio and presented by Donald Lindquist.

The Senior Citizen's section

had a new convener this year, in the person of Grace Barwick, who set such a good example for other Seniors with her entries, that she won the Aggregate prize, a gift certificate from Wolanuk's Fashions and Foods.

This year's Baking section filled the entire length of the south downstairs wall with mouthwater-

ing goodies. Convener Deanna Easthope, presented Aggregate winner Norma Berg with a certificate for a Dinner for Two, courtesy of the Empress Lounge.

The Canning sections Aggregate winner, Rose Doucet, was presented with two sacks of sugar from Elk Point Co-op, ready for

Ferguson Flats, Lindbergh and Primrose news

The last few weeks have been quiet except for a few visitors in the district.

Elaine Heffernan was out from Edmonton for a two week vacation at her parents' home, along with her niece, Sheila McKage of Spruce Grove.

Sharon Poitras (nee Heffernan) from Edmonton had a 9 lb. 8 oz. baby girl on July 29. The baby's arrival missed her Grandmothers birthday by one day. The community ladies gathered at the Heffernan residence for a baby shower last Saturday.

Pat Heffernan is due back on August 20 from a six week vacation in Europe. She has visited London, Norway and Denmark. Mary Nelson has gone to Washington, USA with her sister and brother-in-law, Pat and Ron Oster.

Congratulations to Richard and Karen Buksa, who were married August 10.

Bill and Edna Zapesocki and girls went on a trip to Banff. Congratulations, Edna, on taking an overnight trip away from home.

Yvonne and Lloyd Brown are proud grandparents of a baby girl, Vicki Nadine, born July 17 to their daughter Joanne and her husband, of Wainwright.

Some of the women in the district have gone blueberry picking in the last week. I hear the berries are quite scarce this year.

My sons, Trevor and Stacy, and I went to Muriel Lake for a staff and family barbecue put on by Bonnyville Auction Mart and DLC Packers.

Due to the small number of tickets sold, the draw for the VCR and color TV sponsored by Fishing Lake and District Range Patrol was postponed until October 14.

Congratulations go to Pearl and Bill Bepalko who brought home the gold medals from their respective sections of the Alberta Summer Games golf competition in Fort

McMurray recently.

Mrs. Bepalko was part of the Zone 7 Senior Ladies team, along with Vivian Carruthers of Fort McMurray, Betty Bell of Wainwright and Cecile Richard of St. Paul. Her husband was joined on

the Zone 7 Men's team by Bob Hetherington and Art Heart of Grand Centre, and Len Belcourt of Bonnyville. Both Zone 7 teams were victorious in the 8-team competition. Bill Milholland of Elk Point also took part in the

Summer Games, filling in for a golfer on the Zone 3 team. Milholland had been slated to carry a flag in the opening ceremony, but due to a mixup, ended up marching with the zone instead. However, he reported that he played "real good golf" and that the Elk Point contingent, which also included Mrs. Barbara Milholland, had a great time at the Summer Games.

more canning. Muriel Holthe convened both the Canning and Fresh Fruit sections.

Helen Tymofichuk was the Fresh Fruit winner, taking home an award of Patio Lights donated by Muriel Holthe, and also won the Vegetable section, convened by Bea Campbell, and sponsored by Phil's Hardware and Variety.

The best-ever array of Grains and Grasses was presided over by new convener John Bennett. Craig Campbell and Colin Bjorkman split top honors and the prize sponsored by John Wozniak Texaco.

Green thumbs brought awards to Bea Williams in the Flowers section convened by Sharil Baumgardner and Rose Doucet in the House Plants section she convened. Albi Electric and the Fair Board sponsored the Flowers section, while Macleods donated a carton of handsome flower bed fencing for the House Plants Aggregate.

Once again, the Elk Point Fair has been a great success, thanks to the devoted work of the Fair Board, and the ambition of the many, many entrants.

INFORMATION EVENING:

On September 18, 1985 F.C.S.S., the Lioness Club and John McGregor will be hosting the first Elk Point Information Evening. It will be held in the Community Services Building with representatives of various clubs and organizations present. Playschool will be starting in September - **REGISTER EARLY!!**

Recreation Corner

Yes, Elk Point does have a new Recreation Director... again! My name is Linda Simpson and I am very happy to be co-ordinating your recreational and cultural activities. Please feel free to drop in and introduce yourself, enjoy a cup of coffee, and share any of your recreation concerns or ideas.

I will be carrying on the tradition of posting upcoming events in this column. Please consider these postings as your personal invitation to participate. Don't forget to bring to any of your club's events so they too will get mentioned.

In addition to upcoming events, in the column, efforts will be made to recognize the work of valuable volunteers within the community. If you feel that someone you know deserves the appreciation of the Elk Point people, please submit their name and other pertinent information to me. Phone 724-4074 or drop by the office. It's time to give some recognition to the people

who make our community so strong. Bring in those nominations.

Upcoming events include:

Terry Fox Run: On Sunday, September 15th, St. Paul will be holding a fun run. Many forms of locomotion are allowed, so run, jog, walk, skip, wheel your wheel chair, or skate board, etc. over the 10 kilometre route. Pledge sheets are available at the Elk Point Recreation Office with all proceeds going toward the Canadian Cancer Society. Due to lack of notice, Elk Point was unable to hold their own run, but I have it from a very good source that any Elk Point participants will be more than welcome at St. Paul.

Recreational Swim: efforts are being made now to arrange for a weekly Saturday bus to St. Paul Aquatic Center. Keep posted for more details or contact the Recreation Office if you would like to take part. All ages are welcome.

Tennis: Courts are available at the A.G. Ross Agriplex until the ice goes in. Phone Glenn at 724-2269 for bookings and more details.

So far, everyone in Elk Point has been very friendly and pleasant. That makes moving into a new community far more enjoyable. Thank-you very much! A special thanks goes out to the girls at the F.C.S.S. Office and the people at the town office for being so helpful. I look forward to meeting new friends!

NEW REC DIRECTOR — Linda Simpson has joined the Town of Elk Point staff in recent weeks and is looking forward to a busy fall season.

Energy Information Centre

Information Officer

HELP YOUR COMMUNITY BY PROVIDING INFORMATION ABOUT LOCAL ENERGY DEVELOPMENTS.

The Energy Resources Conservation Board will soon open an Energy Information Centre in the Elk Point public library. The Centre is intended to be an energy information source and a point of contact between the people living in the Lindbergh Area, oil companies working in the area, and departments and agencies of the Alberta Government.

As its Information Officer, you will be responsible for helping people find answers to their questions about local heavy oil developments. Technical knowledge is not necessary, but interest in the subject is important. Your assignment is to provide a wide range of information to interested individuals, landowners, and businesses. Training and materials will be provided. You will be expected to remain neutral, being neither advocate nor opponent to any particular interest.

This role will appeal to you if you enjoy working on your own, with a minimum of supervision, and are able to plan your time and work effectively.

You will need to be enthusiastic about meeting people and should have competent communication skills. You should have your own vehicle and should be willing to travel to Edmonton or Calgary occasionally.

This is a paid, part-time position with flexible working hours, but it will include at least one afternoon and one evening each week.

For more information and an application, please contact: Jack Bales, ERCB, 640-5th Avenue SW, Calgary, T2P 3G4. Telephone 297-3596 or, to call toll-free, dial '0', ask for Zenith 22333 and ask the RITE operator for 297-3596.

Fair best in the west

How can we keep calling this wonderful exhibition of everything from afghans to zucchini a "Fair", when it's obviously much more than fair — it's stupendous!

Every year the quality and quantity of items carried by armfuls, boxfuls, and carloads into the Elks Hall increases, until the judges are nearly overwhelmed by their task. Every year, judging takes longer, as it becomes more difficult to find which is the best of the many fine entries.

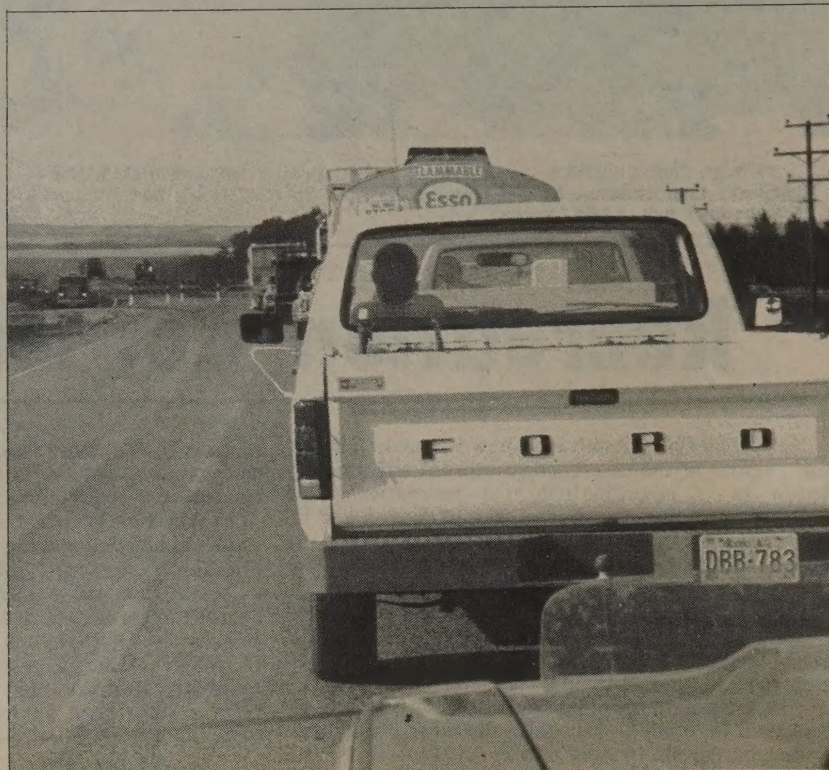

The members of the Elk Point Fair Board are still not content to rest on their laurels as creators of the best and largest fair of its kind in the area. They already are talking about "next year", and how

the various sections can be improved.

Thanks to the Ukrainian Dance Club for a very colorful display at this year's Fair, which saluted the International Year of Youth. The Photography display by that section's sponsor inspired amateurs to even greater undertakings, and the House Plant contest inspired those with low scores to head for their nearest florist and find out firsthand.

Elk Point Fair is, as a fair should be, not only a display of the finest produce, cooking, crafts, and hobbies in the country, it is an inspiring and educational experience.

And it just keeps getting better!

YOU CAN'T GET TO THERE FROM HERE — Long line-ups on Highway 41 south of the river, and detours on ditch banks are slowing down traffic while road work is underway.

Welcome, oilmen

A hearty welcome to all the oil industry personnel who will converge on Elk Point this weekend for the Second Annual Oilmen's Golf Tournament.

The oil industry has brought an impressive upswing to the economy of Elk Point, and is contributing substantially to the swift

growth of our community.

Therefore, it is fitting to invite all of you who have contributed to our period of expansion with your work in the oil industry, to visit our town for a period of relaxation and fun.

Enjoy your visit, and may the sun shine on your tournament!

THIRD TIME WINNER — Pat Bekker accepts her third Grand Aggregate plaque in as many years from Ruth Vogel of Vogel's UFA.

Sgt. Fell returns from summer leave

The Sergeant's Desk is back in business after a long break while I was on annual leave. During the summer the Fell's became relatively permanent residents of Elk Point by becoming the proud owners of a brand new home in Ference Sub/Division. A lot of hard work, but it was all worth it.

There are a couple of things I would like to discuss; the first will be our lack of manpower and the second will be the petty thefts that have been occurring in the area.

On the 4th of July, this year, S/Cst. Robert Gladue

resigned his position at Elk Point. Of a contingent of five men we are down to four and with annual leave, we are at times down to three men as is the case at this writing. Nineteen eighty-five has been our busiest year ever with the number of investigations increasing from 1310 this time last year to 1440 to date this year. The reason I'm telling you this is to explain that the personalized service that we have attempted to provide over the past two years since I have been here may suffer somewhat until we get a full compliment of men, which doesn't seem likely until ap-

From the Sergeant's desk

By SGT. JIM FELL

proximately March of 1986 when Gladue will be replaced. We still have a man on shift during the day and during the evening every day of the week, but we'll be spread

pretty thin, as you may appreciate. Please bear with us and if there are minor problems that can be resolved by yourself, please attempt that before calling us. It

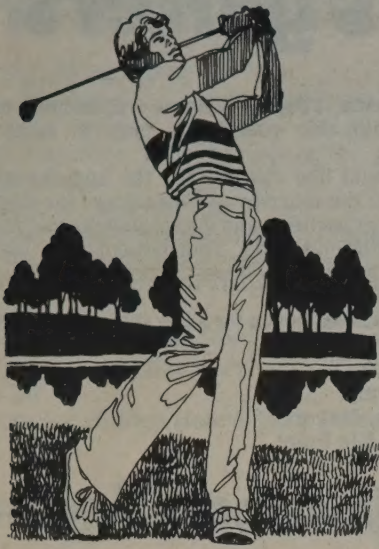

would certainly help out.

The second thing I would like to discuss is the petty thefts that are taking place. I am referring specifically to the theft of flags from the flag poles at the north end of town and the information booth on the Highway at 48th Street and 50th Avenue. Some fool thought it was a good joke to collect an Alberta Flag and a Canadian Flag as a souvenir. This article is directed to that fool; if you are caught you will be charged with theft under the Criminal Code, Section 283, which is an indictable or a summary conviction offence and carries a maximum sentence of two years in

prison or a fine, or both.

I doubt whether the culprit would go to jail, but he or she would definitely be fingerprinted under the Identification of Criminals Act and receive a Criminal Record. I have already discussed the ramifications of having a Criminal Record when it comes time to apply for a job or attempt to travel abroad.

This type of offence is not a joke, it is an absolute nuisance and offends many many people. The community is working very hard to make Elk Point an attractive place to visit. So, fool, take note: If you are caught, you will be prosecuted to the fullest extent of the law.

As most residents of the Elk Point area know, golfing is a favourite past time of mine. I know there will be many golf stories shared during this tournament. "The true sign of an avid golfer is one who makes a six, yells four, and marks down five!"

I hope you enjoy playing our course in this years tournament. Plans are being finalized at this time to redesign the course and with the planned im-

provements, I feel the course will become one of the most enjoyable courses to play in north eastern Alberta.

I would like also to take the opportunity to congratulate the tournament organizers for their fine efforts in preparation and organizing the 2nd Annual Elk Point Oilmen's Golf Tournament. All signs point toward a well attended, successful and enjoyable tournament.

My wishes to you for a low score and a pleasurable weekend.

Yours truly,
Ed Buck, Mayor

Clandonald News

By Shirley Osinchuk

August is a busy month around Clandonald. The two-mile road north to Highway 45 is under construction (or is that "de-struction"?), and the highway from the corner, west to Highway 41, is being re-built and re-routed.

Marie Lawrence had a visit from her pen-pal Jennie Baker, who lives in Yellowknife. The two girls have been writing to each other for one and a half years, and are hoping for a longer visit next summer.

The Clandonald Country Fair was a great success on Saturday, the 10th. The Talent Show was cancelled because there were too few entries, but the rest of the Fair went as planned.

Credit is due to the Agricultural Society for the cement floor, and new entrance and lobby on the arena.

The fair exhibits are judged by the Danish system, which judges each entry on its own merits. The entry is given a mark out to ten, then awarded a ribbon, first for 10, 9, or 8, second for 7, 6, or 5, and third for 4 or less. Marks are totalled in each category to determine winners, and the person with the highest overall total is the Grand Aggregate Winner.

Mrs. Josie McIntyre was the Grand Aggregate Winner for the second year in a row.

Other winners were; Mrs. Hazel Griebel for senior Citizens, Timothy Parchewsky for 8 and under Handicrafts, Caroline Yaceyko for Handicrafts (9 to 15 years), Loretta Harasiuk for Adult Handicrafts. Homemaking winners were Janice DeFord (15 and under), and Josie McIntyre and Shirley Osinchuk for the adults. For Homecooking Jennifer Lawrence won for 8 and under, Carolyn Thomas and Sheri DeJong for 9 to 15, and Josie McIntyre for adult. Mildred Moliniux was adult winner for vegetables, Roger Osinchuk for 9 to 15 years, and Jennifer Lawrence for 8 and

under. Pat Huxley was adult winner for flowers, Dawn DeGiano for the 9 to 15 year olds, and Timothy Parchewsky for 8 and under. Harry Zayac won the grain division.

The school entries are put in by the teachers from work done throughout the school year. There were many entries: art, writing and printing, crafts, scrapbooks and notebooks.

While the Fiddlers' Contest was on in the arena, there were children's races and a ball game outside. The ball game was between the Clandonald PeeWee Girl Crusaders and the Rusylvia Mixed PeeWees, with Clandonald winning. Thanks to Ted Etherington, umpire, and Loretta Harasiuk, score keeper.

The last event of the afternoon was the Horseshoe Finals. Winners were Janice Cusack and Ed Lovell, first, Margaret Bardoel and Eugene Martin, second, and Lawrence Parchewsky and Fred Dougan, third.

Coming in the next week: Sunday, August 25, 7 p.m. church service at the Bible Fellowship Church.

—Local Advisory Board Meeting at 8 p.m. on Tues., August 27.

—School starts on Wed., August 28.

Visiting the neighbours

By IRENE MAGNUSSON

On Monday, August 12th, a bus load of visitors honored Elk Point with an afternoon visit. Thirty-eight seniors from St. Paul's Heritage Homes chartered a school bus, ably driven by Gloria Krawchuk, and on a bright and sunny day took off to visit their neighbours.

Their first stop was at the Pioneer Museum, owned and operated by Steve Andrichak. The visitors were expected, and so Steve was on hand, and showed the group through his interesting and comprehensive museum. The group enjoyed this look back into the past, and felt they were royally treated.

Their next stop was at the Pioneer Circle. They were welcomed by President Marg Clark and a group of Elk Point seniors, with whom they enjoyed a friendly few rounds of Bingo, followed by light refreshments and a time to visit.

The Manager of Heritage Homes, Kay Galas, accompanied the group, ready to help in any way. She offered thanks on behalf of the seniors to their hosts before leaving. Sunnyside Lodge Matron Rita Jean, had also joined the seniors but regretted that none of the members of this St. Paul Seniors' group had joined the outing.

The excursion was to wind

up with a supper for all at the Empress Restaurant in Elk Point at 4:30 p.m. so time ran out very shortly. In as much as one of the visitors was the mother of the Empress Restaurant owner, I'm sure they were treated to the very best. It is hoped they all enjoyed their visit to Elk Point, and will return real soon.

Busy summer for Dewberry sports fans

Debbie Maclean, daughter of Ken and Molly MacLean of Dewberry has been playing fastball with the Calgary Raiders. On August 3rd 1985, the team flew to Whitehorse to capture the Western Canadian Womens Championships in the "B" division, defeating B.C. in the final game. Debbie the catcher for the team, was chosen the most valuable player during one game and placed second as most valuable player for the series. Congratulations (Debbie).

Karen Holmen the daughter of Ann and Rudy Holmen was up to the Fort McMurray Summer Games representing zone 7 and our community. She won two gold medals and one silver in foot racing. Congratulations (Karen).

Henry and Elizabeth Kozak were at Cold Lake and participated in the Firemans Canoe Race they placed 3rd in the mixed event. The seven mile course from the provincial park to the Cold Lake dock was com-

pleted in 1 hr. 32 minutes. They each received a B.B.Q. set.

On August 7th they went up to the Fort McMurray Summer Games and took part in several canoe racing events on the Clearwater River. There were 3000 other athletes representing the 8 zones in Alberta. Congratulations Henry and Elizabeth.

Two school bus loads of children from Vermilion visited and toured the Dewberry Museum on Wednesday August 14th. They called it the Vermilion Summer Fun Tour. After the tour in Dewberry they took off to Rose Lake Park for some more fun and frolic with Carolyn Cruthers as escort. The bus drivers were Jim Smith and Tom Kibblewhite. There have been several bus loads of people come to the Dewberry Museum this summer.

Mrs. Joe Ryan Sr. is in a Edmonton Hospital. Mrs. Ryan had a pacemaker installed and is coming along well and feeling much better. We all wish you the best of luck Nora.

The two and half inches of rain we got last week sure made things nice and green again. The last week has been cooler than the first week in August. It was only 32 above at day break on August 11th. I would like to see another inch or more of rain soon, as it is getting dry on top and the gravel roads are dusty again.

We now have a good black top road west of Dewberry to the Marwayne road, but we still can't get to Vermilion without driving on some gravel roads.

Happy Birthday to all that have a birthday in August (mine is the 21st).

4-H in review

By ELENA DROBOT

Your reporter took a short holiday and is now back to complete 4-H In Review for this year.

Since Mrs. Havener and Mrs. Yuschyshyn have not had time to return their questionnaires I can only give you the information from Regional Office. Mrs. Havener became 4-H Club Leader in 1983. Assistant Leaders were Ed Vogel, Merv Yuschyshyn and Rose Ahern while Marie Yuschyshyn was Heifer Leader. There were 23 members in the club with 15 boys and 8 girls. Twenty-two of these were beef members while Ron Vogel did a self-determined project in Woodworking.

Club executive changes were made and Dwayne Vogel became President, Brian Ference Vice President, Connie Ahern kept the position of Treasurer while Leanne Drobot became Secretary and Murray Brooker, Reporter.

1984 saw Mrs. Havener and Mrs. Yuschyshyn back as leaders and Mr. Vogel and Mr. Yuschyshyn remained as assistant leaders along with rookies, Mrs. Brooker, Mrs. Drobot and Junior Leader Ron Vogel. This year saw the membership drop to 11, with 7 boys and 4 girls. Executive for 1984-85 was Lyle Yuschyshyn President, Jason Anderson Vice-President, Brenda Anderson Secretary, Donna Brooker Treasurer and Elena Drobot Club Reporter.

This year we went to curling bonspiels in Derwent and Two Hills and had a volleyball tournament in Elk Point with teams from Bonnyville, Derwent, Clandonald, Vermilion (Preston Club), Brosseau, Heinsburg and Elk Point. We also planned the 20th Anniversary Reunion which was held at Stony Lake Hall on June 30th. This was a great undertaking for a small club and we were a bit disappointed by the lack of response from former members. We would like to thank past leaders George Pinder, Don Pinder, Albert Boratynec, Ron Flanders, Pat and Cliff Swedgan for their presence at our Achievement Day. How nice to see their interest in us goes on. Thanks also to all leaders and members who attended the 4-H Reunion and to the present members for working together to make the day a success.

Leanne Drobot and Dwayne Vogel of Elk Point represented the Elk Point 4-H Beef Club at the 4-H Club Week held recently at Camrose Lutheran College. Approximately 120 delegates from the northern half of the province spent an active week working on topics such as the family, decision-making and peer pressure. Sports, a masquerade, and guest speakers were other special features of the week. Delegates offered suggestions for 4-H community development projects and investigated soil conservation.

The theme "Looking In, Reaching Out" encouraged healthy lifestyles and the development of communication skills. 4-H Club Week is sponsored by the Alberta Wheat Pool, Agriculture Canada, United Grain Growers, and Alberta Agriculture. The 4-H Club Week Program is in its 44th year of operation.

It was a great experience and we would recommend it to anyone who gets the opportunity to attend.
